

School Strategic Plan Prioritized Goals, Progress Monitoring DS, Strategies and Action Steps

**Cabell County Schools (012) Public District - FY 2025 - Cabell Midland High School (012-550) Public School - School Strategic Plan - Rev 1**

**Plan Items )**

**☒ 1 Achievement and Growth ELA Proficiency**

Description:

ELA Proficiency ELA proficiency will reach a target score of 62.45 on the SAT given in the Spring of 2025.

**☒ 1.1 9th and 10th Grade PSAT, Khan Academy SAT Practice Tests, common assessments.**

Description:

In grades 9, 10 and 11, students will participate in practice SAT tests through Khan Academy. These test results will feed into their individualized practice for SHIELD through Khan Academy. Additionally, teachers will monitor their progress through SHIELD PLC data meetings to discuss students' strengths and weaknesses across the school. In grade 12, 11th grade SAT practice test data will be used for the same purpose, in place of the normal SAT data we would traditionally use. This will be ongoing in the FY 25 school year.

**☒ 1.1.1 Grade Level SHIELD PLC Data Meetings**

Description:

Teachers will meet in their PLC group during SHIELD at least once per month. These PLC meetings will have a collaborative structure, agenda and be focused on student achievement (data outcomes).

**☒ 1.1.1.1 Identify ELA Skill Deficiencies**

Description:

ELA teachers will review SAT practice test data to identify school-wide deficiencies common in all grade levels.

Person Responsible:

ELA Teachers

Estimated Begin Date:

8/11/2024

Estimated Completion Date:

6/1/2025

**☒ 1.1.1.2 ELA teachers present school-wide deficiencies to PLC groups.**

Description:

After data analysis, the ELA teachers will present the school-wide deficiencies to their PLC groups.

Person Responsible:

ELA Teachers

Estimated Begin Date:

8/11/2024

		Estimated Completion Date: 6/1/2025
<input checked="" type="checkbox"/>	<b>1.1.1.3 Remediation of School-wide deficiencies and Individual Student Deficiencies</b>	<p>Description:</p> <p>Using Khan Academy, SHIELD teachers will assign specific lessons to students to focus on improving the school-wide deficiencies. Additionally, SHIELD teachers will monitor individual student progress on Khan Academy's prescriptive practice for each student based on their individual practice SAT scores.</p> <p>Person Responsible:</p> <p>SHIELD Teachers</p> <p>Estimated Begin Date:</p> <p>8/12/2024</p> <p>Estimated Completion Date:</p> <p>6/1/2025</p>
<input checked="" type="checkbox"/>	<b>1.1.2 Content Collaborative Teams</b>	<p>Description:</p> <p>Every content collaborative team will focus on strengthening identified ELA grade level deficiencies. These meetings will occur weekly with the department chairpersons throughout the FY 25 school year.</p>
<input checked="" type="checkbox"/>	<b>1.1.2.1 Content PLC Meetings</b>	<p>Description:</p> <p>All content area PLC meetings will develop and implement plans to assist students utilizing the literacy standards of their designated content area.</p> <p>Person Responsible:</p> <p>Department Chairperson</p> <p>Estimated Begin Date:</p> <p>8/11/2024</p> <p>Estimated Completion Date:</p> <p>6/1/2025</p>
<input checked="" type="checkbox"/>	<b>1.1.3 Literacy Initiative</b>	<p>Description:</p> <p>ELA teachers will work with the Professional Development Team (PD Team) to provide PD and support for all content areas in reading and writing utilizing the SAT rubric. Data will be analyzed and discussed during Collaborative Teams (PLCs) to identify and address areas of weakness. Teachers will utilize "Time &amp; Topics" reports to track data and progress for all students. They will collaborate on strategies to address areas of weakness</p>

	<p>Math Teachers</p> <p>Estimated Begin Date: 8/11/2024</p> <p>Estimated Completion Date: 6/1/2025</p>
<b>[AS]</b>	<p><b>2.1.1.2 Pacing Guides and Curriculum Maps</b></p> <p>Description:</p> <p>Math Collaborative Teams will utilize curriculum maps and pacing guides to monitor progress through College and Career Ready Standards.</p> <p>Person Responsible:</p> <p>Math Teachers</p> <p>Estimated Begin Date: 8/11/2024</p> <p>Estimated Completion Date: 6/1/2025</p>
<b>[AS]</b>	<p><b>2.1.1.3 Common Assessments</b></p> <p>Description:</p> <p>Math Collaborative Teams (PLCs) will analyze data from common assessments and determine areas for improvement, as well as teaching strategies to help students master College and Career Readiness Standards. Additionally, all teachers will use Khan Academy to assign SAT tests utilizing the practice test made available by the College Board.</p> <p>Person Responsible:</p> <p>Math Teachers</p> <p>Estimated Begin Date: 8/11/2024</p> <p>Estimated Completion Date: 6/1/2025</p>
<b>[AS]</b>	<p><b>2.1.1.4 Numeracy Initiative</b></p> <p>Description:</p> <p>Math teachers will utilize available practice SAT test materials with students self-monitoring their own progress. Teachers will use data to identify areas for improvement and develop appropriate teaching strategies during collaborative teams (PLCs). Additionally, teachers in all content areas will find and emphasize opportunities to link mathematical concepts and thinking to their curriculum.</p> <p>Person Responsible:</p> <p>All Teachers</p> <p>Estimated Begin Date:</p>

	8/11/2024	Estimated Completion Date:	6/1/2025
<b>S 2.1.2 Grade Level SHIELD PLC Meetings</b>			
Description:	Teachers will meet in their grade level SHIELD PLC group during SHIELD twice per month. These PLC meetings will have a collaborative structure, agenda and be focused on student achievement (data outcomes).		
<b>[AS] 2.1.2.1 Math teachers will review SAT practice test data to identify school-wide deficiencies common in all grade levels.</b>			
Description:	After data analysis, the Math teachers will present the school-wide deficiencies to their PLC groups.		
Person Responsible:	Math Teachers		
Estimated Begin Date:	8/11/2024		
Estimated Completion Date:	6/1/2025		
<b>[AS] 2.1.2.2 Remediation of School-Wide and Individual Deficiencies</b>			
Description:	Using Khan Academy, SHIELD teachers will assign specific lessons to students to focus on improving the school-wide deficiencies. Additionally, SHIELD teachers will monitor individual student progress on Khan Academy's prescriptive practice for each student based on their individual practice SAT scores.		
Person Responsible:	SHIELD Teachers		
Estimated Begin Date:	8/11/2024		
Estimated Completion Date:	6/1/2025		
<b>[AS] 2.1.2.3 Professional Learning or Professional Development</b>			
Description:	Professional Development during PL days will be focused on how to improve student achievement specifically in Mathematics. This PD will be led by members of our Mathematics department.		
Person Responsible:			

		<p>Math Teachers</p> <p>Estimated Begin Date: 8/11/2024</p> <p>Estimated Completion Date: 6/1/2025</p>
⑤	3 Hiring & Retaining High Effective Employees	<p>Description:</p> <p>Create a system of support for professional growth and development for teachers at the local level to reach career goals.</p>
PM	3.1 Implementation Survey for Mentor/Mentee Program	<p>Description:</p> <p>A survey will be developed for teachers new to Midland in FY 25. This survey will be administered at the end of FY 25. This survey will detail the implementation of our new Mentor/Mentee program. Survey results will be used to assist us in developing Year 2 of the program for FY 25.</p>
§	3.1.1 Hiring Committee, Leadership Team, Professional Learning	<p>Description:</p> <p>The hiring committee will work together with the school district to hire and retain highly effective employees. Teachers seeking career advancement will work with administration and other staff members to create experiences needed for their advancement.</p>
AS	3.1.1.1 Hiring Committee	<p>Description:</p> <p>The Hiring committee will work together with the school district to hire and retain highly effective employees.</p>
		<p>Person Responsible: Hiring Committee, Administration, Central Office</p> <p>Estimated Begin Date: 8/11/2024</p> <p>Estimated Completion Date: 6/1/2025</p>
AS	3.1.1.2 Career Advancement	<p>Description:</p> <p>Support system will be in place across the school for teachers pursuing similar career goals.</p>
		<p>Person Responsible: Staff</p>

		Estimated Begin Date: 8/11/2024
		Estimated Completion Date: 6/1/2025
<b>☒ 4 Integrating Family &amp; Community Engagement College &amp; Career Readiness</b>		
Description:		Implement College and Career Readiness opportunities, experiences and curriculum to prepare students for post-secondary education to reach their career goals throughout the FY 25 school year.
<b>☒ 4.1 Pre and post survey results from students and community stakeholders participating in the events described below.</b>		
Description:		A Pre-Survey will be developed for potential participants & posted on social media and Schoology to collect information from students, parents and community stakeholders at the beginning of the school year which will drive the planning, type of information and focus for the events and experiences in FY 25. Post-Surveys will be developed for students, parents, and community stakeholders (post-secondary institutions, businesses and nonprofits) participants in FY 25 to collect feedback specifically regarding: 1. Effectiveness in strengthening community relationships between the school and stakeholders. 2. Student feedback on career exploration and college readiness experiences, knowledge gained and interest. 3. Parent feedback from college readiness events regarding type of information provided and experience.
<b>☒ 4.1.1 Leadership Team &amp; LSIC</b>		
Description:		During FY 25, the school counselors will work with administration to create experiences for College and Career Exploration. FY 25 LSIC members will provide input on the events and experiences.
<b>☒ 4.1.1.1 Academy/Program Showcase</b>		
Description:		The showcase will be utilized to showcase our CTE programs, Fine Arts programs and all Advanced Placement and Dual Credit programs we offer for our students specifically targeted to grades 8 and 9.
Person Responsible:		Counselors, CTE Director, Student Ambassadors, Teachers
Estimated Begin Date:		8/11/2024
Estimated Completion Date:		11/19/2024
<b>☒ 4.1.1.2 Career Exploration Experiences</b>		
Description:		

	<p>These lunch and learn sessions will be offered monthly to students as career exploration opportunities during their lunch period. We plan on offering 1-2 sessions each month. Contact local employers aligned with CTE pathways offered at CMHS about jobsite visits for our students.</p> <p>Person Responsible: Counselors and administration</p> <p>Estimated Begin Date: 8/11/2004</p> <p>Estimated Completion Date: 6/1/2025</p>
<b>AS 4.1.3 Senior Reality Fair</b>	<p>Description:</p> <p>The Senior Reality fair will be an experiential event that will cover topics including, but not limited to, financial and consumer mathematics, home economics, and other topics as requested on the student survey. Additionally, post-secondary institutions will be invited as well as career services and other community entities</p> <p>Person Responsible: Counselors</p> <p>Estimated Begin Date: 8/11/2024</p> <p>Estimated Completion Date: 11/19/2025</p>
<b>AS 4.1.4 College Drive Thru</b>	<p>Description:</p> <p>Colleges offer informational resources for preparing students for college readiness, the programs/degrees they offer and enrollment support for students</p> <p>Person Responsible: Counselors</p> <p>Estimated Begin Date: 8/11/2024</p> <p>Estimated Completion Date: 6/1/2025</p>
<b>S 4.1.2 Implementation of College/Post Secondary Fair</b>	<p>Description:</p> <p>In FY 25, we will implement a college/post secondary fair. Participants will include local universities, career and technical education centers, community colleges, and other post secondary opportunities.</p>
